Fees charged for morning and afternoon activities

- A monthly fee is charged for afternoon activities, which is 120 € for a full-time place, and 90 € per month for the next child of the family. For a part-time place, the monthly fee is 80 €, and 40 € per month for the next child of the family.
- A monthly fee is charged for morning activities, which is 40 € for a full-time place. For a part-time place, the monthly fee is 20 €. A sibling discount is not available for morning activities.
- For a part-time place, the maximum number of days in care is 10 in a month.
- The fee is charged monthly. The fee must be paid for each month the child attends morning and afternoon activities, even if the total number of days in care in a month is small. In addition, the following requirements decided by the parliament are taken into account:
 - the child does not attend due to illness for longer than 10 days, half of the fee is charged.
 - the child does not attend due to illness for the whole calendar month, the municipality does not charge the fee.
 - the child does not attend due to other reasons for the whole calendar month, the municipality charges half of the fee.
- Termination of participation and change from a full-time place to a part-time place can be done using this form of amendment to the youth services.
- A family can apply for a fee exemption on the basis of low income. *) Please attach a statement from the social security.
