

Early childhood education fee is based on family size and family gross income.

Family size (column 1)	Gross income limit, €/month (column 2)	Percentage (column 3)	Limit for the highest fee, €/month, no income reports needed (column 4)
2	2 102	10,7	4 802
3	2 713	10,7	5 414
4	3 080	10,7	5 781
5	3 447	10,7	6 148
6	3 813	10,7	6 514
7	3 955	10,7	6 656
8	4 097	10,7	6 798
9	4 239	10,7	6 940
10	4 381	10,7	7 082

1. Select the appropriate family size (column 1).
2. Subtract the gross income limit (column 2) from your total gross income.
3. Your early childhood education fee/month is 10,7% of your gross income, if your total gross income does not exceed the limit in column 4.
4. If your total gross income is more than column 4 shows, you are not entitled to a reduced fee. You will not have to deliver an income report. In the application, please check the box "highest fee".
